NEW TEAM FOR PETERSBURG.

A Petersburg special says that it is understood that money has been subscribed there to place the Petersburg baseball team on a solid financial basis, and that the team will be reorganized, and a number of good players secured. "King" Kelly will have the field management of the club until arrangements for the new management to take charge are completed.

Norfolk Rooters Helped Win.

In its account of the ball game at Richmond Thursday between the Norfolk and Richmond teams, the Richmond Times speaks of Norfolk's indefatigable rooters as follows:
"Mr. Paul Whitehurst and Mr. Moe Levy, of Norfolk, and a large contingent of loyal fellows, including a number of ladies, helped the Crew of the Mary Jane to win the game for Norfolk at Broad-street Park yesterday afternoon."
"Aside from the rooting of the Norfolk contingent, the game was a red hot one, and abounded in brilliant plays."

Gilligan, of the Colts, was the star, so far as Richmond was concerned, and some of his work in center field was phenomenal. He took several high flies from the fence that would have meant a number of additional runs for Norfolk, and the applause that he received was well deserved.
The attendance was the largest of the week, and the game was decidedly the best of the season. Enthusiasm ran high, and at times it was uproarious, mainly for Norfolk. The city by the sea was well represented, and if the metropolitan city enthusiasts would show just one-half the interest, the State League would be a success on the start.

OUT OF THE HOLE.
The game was well played, and the manner in which Richmond dug itself out of the hole in the ninth inning, with no runs to its credit, was an inspiration to the cranks.

Mr. Paul Whitehurst, with his mascot bell, did much to discredit the local rooters, and Mr. Moe Levy's chair voice rattled Mr. Roach, the local pitcher, so much that, in the seventh inning, nine good, hard hits were made off his delivery, and nine solid runs went upon the fence against the Colts.

There was a big obstacle to overcome when the Colts went up in their last half of the last inning, and it looked very much like a Jeffries finish.

MARTIN MACINNIS APPOINTED

CLARK'S APPOINTMENT BY SPRIGGS IS REVOKED BY GOV. SMITH.

(By Telegraph to Virginian-Pilot.)
Butte, Mont., May 18.—Governor Smith today sent dispatches from here to Senator W. A. Clark, Senator Chandler, President Frye of the Senate, saying he has disregarded and revoked Lieutenant Governor Spriggs' appointment of Clark to succeed to the senatorial vacancy, and saying he had named Martin Macinnis, of Helena, to fill the vacancy. The Governor gives as his reasons his opinion that the appointment of Mr. Clark by the Lieutenant Governor was tainted by collusion and fraud. To Mr. Clark the Governor wired:
"I have this day disregarded and revoked your appointment as United States Senator, made by Governor Spriggs on the 15th instant, as being tainted with collusion and fraud, and have this day appointed Hon. Martin Macinnis United States Senator to fill the vacancy caused by your resignation."

Those to Frye and Chandler are of the same tenor, notifying them of his action. The Governor sent a formal protest to Chandler detailing his reasons. He has also issued an open letter to the people of the State denying that he had any knowledge of the contemplated step when he left Montana for California.

Washington, May 18.—The Senate Committee on Privileges and Elections today adopted a resolution directing Chairman Chandler to press "to a vote" the Clark resolution as originally reported, which declared Mr. Clark "not duly and legally elected."

The following dispatch to Senator Chandler was read:
"I desire to present in as forcible manner as possible my protest against the course pursued by one W. A. Clark in attempting to defeat the action of the Senate of the United States upon the resolution presented by the Committee on Privileges and Elections affecting his title to a seat and to protest against the methods pursued by him in securing an appointment at the hands of Lieutenant Governor during my absence from the State under circumstances and conditions which to my mind indicate collusion and fraud."

His conduct in attempting a resignation and procuring a reappointment under the conditions as he did, if the matter was before a court of justice, would have been considered a contempt of court on his part. I, therefore, trust that the committee and the Senate will proceed to a proper and complete consideration of the question, and that the rights not only of Mr. Clark, but of the State of Montana, in the premises, may be determined, and that upon the presentation of his credentials of appointment by the Lieutenant-Governor, the same be transferred to the Committee on Privileges and Elections for investigation, and that I be permitted to make a more complete and detailed statement of facts concerning the resignation and appointment of Mr. Clark."

Consideration of the floor has been postponed until Monday.

IN THE PHILIPPINES

A PROCLAMATION PURPORTING TO HAVE BEEN ISSUED BY AGUINALDO.

(By Telegraph to Virginian-Pilot.)
Manila, May 18.—A proclamation, purporting to have been issued by Aguinaldo and dated May 4, from Polillo Island, one of the Philippine group east of Luzon, is circulating in Manila. It says the commission appointed by President McKinley was appointed without the authorization of Congress, and that, hence, it cannot treat officially. It urges the Filipinos not to surrender their arms at the instigation of the commission and on promises which Congress may not ratify, and also urges the Filipinos to enthusiastically welcome the commission when it arrives in the towns and provinces, asking boldly for the form of government they most desire, as the Americans permit freedom of speech.

The proclamation closes with asking the Filipinos to still strive for liberty and independence and again warns the commission against deception.

In the Catamaran fight, Island of Samar, May 1, about 700 of the enemy attacked the men of the Forty-third infantry. Manila, May 18.—The Americans killed 209 of the Rebels by actual count. Only three Americans were wounded. Major John C. Gilmore and 140 men of the Forty-third regiment were ambushed May 6 near Pambugan, Samar. Seventy-five of the enemy were killed and there were no American casualties. The transport Lenox has returned here after landing four troops of the Eleventh cavalry to reinforce Colonel J. Franklin Bell. Two troops, Major Hugh T. Sims commanding, were landed at Legaspi and proceeded across the country to strengthen the garrison at Iloga. They found numerous entrenchments manned by insurgents between the towns and were two days on their way, skirmishing, dismounted constantly. Their only loss was three horses. The officers report that they killed forty insurgents, but the natives declare eighty were killed.

SOUTHERN PRESBYTERIANS

BUSINESS SESSION OPENED AT ATLANTA YESTERDAY.

(By Telegraph to Virginian-Pilot.)
Atlanta, Ga., May 18.—Commissioners to the Southern Presbyterian General Assembly, which is holding its thirty-ninth annual session here in the Central Presbyterian Church of this city, met for the first business session today. The attendance was larger than yesterday, and an active interest was shown in all the proceedings, not only by the 200 commissioners, but by a large number of visiting ministers and laymen of the Presbyterian Church officially connected with the Assembly and many resident Presbyterians. To-day's session opened with devotional exercises, after which routine business was begun.

Stated Clerk Alexander read the committee which had been appointed by the moderator. They will direct much of the work of the assembly. The committee on records for each State included:

North Carolina—J. F. Lloyd, H. L. Money.

Virginia—J. T. Wade, D. M. Killam.

Interest was intense as the stated clerk read the overtures from the synods and Presbyteries of the South.

The overtures were referred to the proper committees, and constitute the work which will come before the assembly. The Presbytery of Suwannee, Fla., protested against the "spectacular and theatrical features" of children wearing fancy costumes in the exercise to be held on "Children's Day," May 27.

A time was set apart for raising funds for foreign missionary work. The question of divorce and re-marriages will be a leading one. The Synod of Alabama and the Presbyteries of Memphis and Norfolk sent in overtures asking for definite church laws governing the re-marriage of divorcees. The question of salaries for secretaries of the executive committee will be an important one, many overtures being presented asking that no increase be made in them.

On the adoption of a new hymn book there were overtures strongly protesting any change this year on the ground of expense. The report of the Executive Committee of Foreign Missions was submitted. In part it says:

"The largest number of additions to the active churches reported in any previous year was 523 in 1898. This year the number reported is 642, an increase of more than 100.
"The largest number of additions in any one mission was 175 in Northern Brazil and the next largest 114 in Congo, Africa."

The reports regarding finances says: "The receipts for the year from all sources were \$161,531, including \$360 of funds expended in returned. The net receipts were \$161,170. This is \$16,180 more than has been received during any previous year."

The report urges a larger income, saying that between \$950 and \$1,000 is the least a missionary can be supported upon, and that the church has 163 missionaries in the field. The report shows twelve new missionaries sent out during the year.

Under the caption, "Present Needs of the Church," the report takes a gloomy view of many of the foreign mission fields. More missionaries and appropriation from the church are urgently asked. The committee asks for a regular annual income of not less than \$300,000.

Other features of the mission work under the jurisdiction of the committee are progressing satisfactorily. Atlanta, Ga., May 18.—The night session was taken up by the reading of reports. In addition to the report of the Executive Committee on Foreign Missions, statements were made by the Committee on Foreign Correspondence, Publication, Education for the Ministry, Colored Evangelization, and by the Permanent Committee on Church and Christian Education.

Reports were also received from the Assembly's home and school at Fredericksburg, Va., the Columbia, S. C., Theological Seminary, the Union Theological Seminary at Richmond, and the Divinity School of the Southwestern Presbyterian University at Clarksville, Tenn.

Telegrams signed Moderator Martin and stated Clerk Alexander were sent to the General Assembly of Cumberland Presbyterian Church, in session at Chattanooga, and to the General Assembly of the Presbyterian Church in the United States, at St. Louis, conveying fraternal greetings and the wish for divine blessing.

To-night the session was devoted mainly to a praise service.

PRESBYTERIAN ASSEMBLY

YESTERDAY AT ST. LOUIS AND ALSO AT CHATTANOOGA.

(By Telegraph to Virginian-Pilot.)
St. Louis, Mo., May 18.—A very considerable part of to-day's session of the Presbyterian General Assembly was spent in considering the report of the Special Committee on Sabbath Observance.

During the discussion high praise was accorded to President McKinley and Secretary Hay for the instructions sent to Commissioner Peck, of the Paris Exposition, and to Ambassador Porter, at Paris, touching the closing of the United States pavilion and offices of the exposition on the Sabbath.

The report strongly urges that Presbyterians throughout the land should abstain from numerous forms of Sunday recreations now being more or less indulged in, and make the request that railroad companies reduce Sunday transportation to a minimum, and that Congress and State Legislatures shall appropriate no more money for exhibitions without the proviso that such exhibition shall be closed on Sunday. Sunday reading and advertising was denounced.

A separate resolution was adopted by a large vote requesting proprietors of St. Louis newspapers not to print the proceedings of the Assembly in their Sunday editions.

bly made their reports, which were referred to committees.

The treasurer's report shows receipts of \$5,384 and a balance on hand of \$1,690. The following overtures were referred:

To eliminate from the million-dollar endowment plan the direction that \$50,000 be raised to endow a post graduate school in affiliation with the University of Chicago.

A prayer from Little River Presbytery for the removal of Dr. R. V. Foster from the chair of systematic theology on account of alleged disharmony in his teachings; a prayer from the San Antonio Presbytery opposing such action.

The afternoon session was devoted to receiving papers and hearing reports. The report of the board of missions showed total receipts from all sources for 1899 of \$87,726.

The reports on "systematic benevolence" and Sunday-schools, especially the latter, showed a wonderful increase. The new committees were created on "Education" and Centennial endowment."

M-E GENERAL CONFERENCE

TIME LIMIT ON PASTORATES DISCUSSED—BISHOP M'CAULEY MAY BE CENSURED.

Chicago, May 18.—The Methodist Episcopal General Conference took three more ballots to-day for two additional Bishops, but without result. Dr. Henry Spellmeyer, of Newark, N. J., and Dr. J. F. Berry, of Chicago, editor of the Epworth Herald, are now, however, far ahead in the voting.

Dr. W. V. Kelly and J. W. E. Bowen, the latter the colored candidate, withdrew their names to-day.

The Conference to-day voted to send two more missionary Bishops to Southern Asia, with the recommendation that when two or more missionary Bishops are assigned to a given territory they shall be co-ordinate in authority.

A much disputed question, the removal of the time limit on pastorates, also came up for discussion, debate being unfinished when the Conference adjourned.

The Methodist Church will not, if the report of the committee is accepted, alter its position toward playing cards, dancing, and certain other amusements. By a vote of 45 to 25 the Committee on the State of the Church to-day decided to recommend that the section on prohibited amusements be taken out, and that a new section be inserted in the chapter on advices as follows:

"Our church has from the beginning of its history insisted that dancing, playing at games of chance, attending theatres, horse races, circuses, dancing schools, and other amusements which cannot be used in the name of the Lord Jesus, are perilous to the spiritual life and influence of the members of our church and enervating to the spiritual power of the church in the great work of saving souls. The tendency in social circles toward dangerous amusements was never stronger than it is at the present time and, therefore, we do it wise to reaffirm our historic attitude upon this subject."

Acting under the advice of the Board of Bishops, the Committee on Episcopacy to-day decided to recommend to the General Conference that an additional bishop be elected to take charge of the work in Eastern China. This conference now will be called upon to elect.

Bishop McCabe, who recently gave out for publication a set of satirical resolutions referring to the outside work performed by the bishops, may be censured by the conference for his action. To-day Chairman J. H. Buckley declared that the Committee on Episcopacy would investigate the incident and report to the General Conference.

The Committee on Epworth League decided to-day to make the general secretary and officers elective by the conference.

BERKLEY NEWS AND ADVERTISEMENTS

TWO BURGLARIES.

Thieves Enter the Residence of Mr. Silvester and Mr. Galembeck

Funeral of Mr. Julian A. Davis—King's Daughters Election—Back From Richmond—Auction Sale—Launch Party to Lake Drummond.

The residence of Mr. W. A. Silvester, on Clifton street, was burglarized some time Thursday night, and Mr. Silvester was deprived of \$55 and some cents in cash and his 1893 tax receipts. The house was ransacked, but nothing else of value has been missed. The entrance was made through the transom over the front door. There is no clue as yet leading to the party or parties.

Mr. Joseph Galembeck's residence in McCloud town, adjacent to South Norfolk, was entered by burglars yesterday morning about 4:30 o'clock and their bureaus and trunks ransacked, evidently in search of money. Mr. Galembeck's purse was plundered of its contents and placed back in the pocket of the trousers. One of the children sleeping in the room awoke in time to see the thief in the latter action. It will be remembered that Mr. Galembeck's residence was robbed only a few months ago of about \$50 in money and some wearing apparel.

Three attempts were also made to enter Mr. H. J. B. Clark's residence, just two doors from Mr. Galembeck's residence, but failed in all of their attempts. Unfortunately Mr. Clark happened to be home.

FUNERAL OF MR. DAVIS.
The funeral of the late Mr. Julian A. Davis was conducted from his residence on South street yesterday at 12 o'clock.

Rev. W. A. Slaymaker, pastor of Armstrong Memorial Presbyterian Church, officiating. The services concluded, the remains were interred in Magnolia Cemetery.

KING'S DAUGHTERS.

At the regular meeting of the Society of King's Daughters, held at the residence of Mrs. Geo. W. Wallace, the following were elected for the ensuing six months: President of the Devotional Work, Mrs. A. J. Callis; President of the Financial Feature, Mrs. Geo. W. Wallace. An executive committee, a new feature in the order, was created, consisting of members of the various churches in the town, as follows:

St. Thomas' Episcopal Church, Mrs. J. J. Otley; Berkeley Avenue Baptist Church, Mrs. Sophia Wood; Armstrong Memorial Presbyterian, Mrs. Andrew Taggart; Chestnut Street M. E., Mrs. Orin Baker.

Mrs. Wm. Stark was elected superintendent of offerings. The collectors are Mesdames Arthur Morgan, Frank Carlson, A. H. Martin, W. W. Robertson, James Howard and M. C. Keeling.

This organization is interdenominational and seeks to do a good work where it can—even in many cases where the churches fail—and should have the hearty support of all benevolent citizens.

BRIEF MENTION.

Mr. J. R. Williams returned from Richmond yesterday, where he attended the annual session of the Virginia Funeral Directors' Association from the 15th to 18th, conclusively. Mr. Williams was elected third vice-president of the association.
